What to Sell NOW!

It is always a good time to sell items you will not use or enjoy any longer. The market strongly recognizes items of the highest quality, whether it is antique furniture or fine jewelry. No matter what items you currently possess, PPC is dedicated to finding you the best marketplace. Buyers today are especially interested in fine art, antiques & collectibles. Activity is brisk in the fields of 20th century modern fine & decorative art.

Free Fridays In February!

PPC offers free in-office appraisals on each of the five Fridays in February. Just call Laura at 973-884-2466 and mention this newsletter to bring in your item or photograph for an identification and valuation.
